# 23 YEARS OF EXCELLENCE

Sarhad University of Science & Information Technology, Peshawar, was established in 2001 through an ordinance of the Government of Khyber Pakhtunkhwa and is duly recognized by the Higher Education Commission of Pakistan (HEC). The university has achieved the highest category, "W-3," denoting excellence in academic, financial, and physical infrastructure. It is committed to equipping students with the skills and knowledge required to meet local and global challenges in today's competitive job market.

With a strong focus on skill development, the University's Undergraduate and Graduate Programs are designed to foster critical, analytical, and logical thinking in students and research scholars. Sarhad University has earned accolades for its excellence in fields such as Engineering, Pharmacy, Computer Science, Management, Social Sciences, and Biological Sciences.

Sarhad University proudly holds various recognitions and accreditations, underscoring its commitment to academic excellence:

- Electrical, Civil & Mechanical Engineering Programs: Accredited by the Pakistan Engineering Council.
- Pharm-D Program: Recognized by the Pharmacy Council of Pakistan.
- Computer Science Program: Accredited by the National Computing Education and Accreditation Council of HEC.
- Business Administration Programs: Accredited by the National Business Education Accreditation Council.
- Education Programs: Accredited by the National Accreditation Council for Teacher Education.
- Nursing Program: Recognized by the Pakistan Nursing Council.
- Allied Health Program: Recognized by the HEC.
